## NSN 5970-00-295-7658

Electrical Insulating Compound - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5970-00-295-7658

Environmental Protection:
Heat and moisture resistant and oil resistant and water resistant and flame
Unit Package Quantity:
1
Physical Form:
Paste
Unit Package Type:
Can
Corrosive Characteristics:
Noncorrosive to metal
Special Features:
1 gal
Specification Or Standard:
Hf type
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
T388-c
