**Environmental Protection:**

Heat and moisture resistant and oil resistant and water resistant and flame

**Unit Package Quantity:**

1

**Physical Form:**

Paste

**Unit Package Type:**

Can

**Corrosive Characteristics:**

Noncorrosive to metal

**Special Features:**

1 gal

**Specification Or Standard:**

Hf type

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T388-c
