Flange Thickness:

0.250 inches

Outside Diameter:

2.125 inches

Mounting Hole Diameter:

0.188 inches

Mounting Bolt Circle Diameter:

1.688 inches

Mounting Facility Type And Quantity:

3 unthreaded hole

Height Above Mounting Surface:

1.375 inches

Special Features:

One hole 0.812 in.Dia centrally located on top

Surface Treatment And Location:

glazed

Style Designator:

Conical, beehive

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A007a0
