Plate Insulator - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5970-00-754-7313

Overall Length:
2.500 inches
Overall Height:
0.125 inches
Overall Width:
2.120 inches
Special Features:
One hole 0.384 in. Dia., two holes 0.150 in. Dia., three holes 0.291 in. Dia., all holes irregularly spaced; top right corner cut off circularly
making a radius of 2.940 in.
Material And Location:
insulation, electrical, mil-i-10
Style Designator:
Flat, rectangular
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A007a0
