Overall Length:

1.290 inches

Overall Height:

0.034 inches

Overall Width:

0.500 inches

End Application:

F-15 acft

Special Features:

Insulators have an adhesive coating and protective film on one side; adhesive thickness shall be 0.00075 to 0.00125 in.

Material And Location:

silicone fiberglass laminate

Style Designator:

Flat, rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A007a0
