| Dielectric Material Voltage Rating Per Mil Thickness In Volts:      |
|---------------------------------------------------------------------|
| 400.0                                                               |
| Width:                                                              |
| 1.000 inches                                                        |
| Length:                                                             |
| 27.0 yards                                                          |
| Tempurature Rating:                                                 |
| Between -90.0 degrees celsius and 260.0 degrees celsius             |
| Min. Tensile Strength (psi):                                        |
| 700 pounds per square inch                                          |
| Cut Type And Quantity:                                              |
| 1 single                                                            |
| Nominalthickness:                                                   |
| 0.0300 inches                                                       |
| Color:                                                              |
| Red                                                                 |
| Material:                                                           |
| Rubber                                                              |
| Material Specification:                                             |
| Mil-i-46852, type 1 military specification single material response |
| Specification Or Standard:                                          |
| 1 type                                                              |
| Shelf Life:                                                         |
| N/a                                                                 |
| Unit Of Measure:                                                    |
|                                                                     |
| Demilitarization:                                                   |
| No                                                                  |
| Fiig:                                                               |
| A14300                                                              |
| Mil-std (military Standard):                                        |
| Mil-i-46852 spec.                                                   |
|                                                                     |
