Reliability Indicator:

Not established

End Application:

5895-01-417-8475

Special Features:

Heat shrink tube flex of 0.125 diameter inch; used on an/gsc-39b, satellite communications control central

Flexibility:

Flexible

Color:

Black

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A22500
