Inside Diameter:

Between 1.620 inches and 1.630 inches

Outside Diameter:

2.000 inches

Overall Height:

Between 2.020 inches and 2.080 inches

End Application:

NSN2-35-001-3285

Shank Outside Diameter:

Between 1.650 inches and 1.850 inches

Shank Height:

1.800 inches

Special Features:

Item through cut 0.120 inch along full length

Material And Location:

nylon pa161 per astm-d4066

Style Designator:

Shoulder

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A007a0
