**Overall Length:**

2.340 inches

**Overall Width:**

1.350 inches

**General Description:**

Assembly consists of 1 high voltage insulator, part number 151-006339-101, 2 helical coil inserts, part number nas113-04115; 1 helical coil insert, part number nas1130-3115: material plastic, thermosetting, type iv, cl g11 per l-p-509

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No
