High Voltage Assembly Insulator - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5970-01-476-8845

Overall Length:
2.340 inches
Overall Width:
1.350 inches
General Description:
Assembly consists of 1 high voltage insulator, part number 151-006339-101, 2 helical coil inserts, part number nas113-04l15; 1 helical coil
insert, part number nas1130-3l15: material plastic, thermosetting, type iv, cl g11 per l-p-509
Shelf Life:
N/a
Unit Of Measure:

Demilitarization:
No
