Overall Length:

2.340 inches

Overall Width:

1.350 inches

General Description:

Assembly consists of 1 high voltage insulator, part number 151-006339-101, 2 helical coil inserts, part number nas113-04115; 1 helical coil insert, part number nas1130-3115: material plastic, thermosetting, type iv, cl g11 per I-p-509

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
