Overall Length:

0.740 inches

Overall Height:

0.010 inches

Overall Width:

0.860 inches

First Hole Diameter:

0.160 inches

Second Hole Spacing:

0.200 inches

Special Features:

Aluminum oxide-filled silicone elastomer material; standard die cut; no adhesive; operating temperature -60/+200 degrees c

Material And Location:

aluminum

Style Designator:

Flat, rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A007a0
