Inside Diameter:

19.1 millimeters

Outside Diameter:

38.0 millimeters

Product Name:

Cable feedthru

Special Features:

Threaded bushing with molded shrinkable boot first end; o-ring seal with locknut second end

Material And Location:

aluminum alloy

Style Designator:

Cylindrical

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A007a0
