End Application:

Seasprite helicopter

Adhesive:

Not provided

Material:

Plastic

Material:

Plastic

Supplementary Features:

Chaffing strip for k682001 main hydraulic system installation; stock size 0.010 x 5.80 x 7.50; material phenolic mech grade; material specification mil-p-15035b type fbi

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T388-b
