Reliability Indicator:

Not established

Inside Diameter:

0.250 inches

End Application:

Ch-47, chinook, helicopter

Design Form:

Full round

Product Name:

Expandable sleeving

Special Features:

Flame retarded, fray resistant, braided polyester

Flexibility:

Flexible

Color:

Black

Material:

Plastic, polyester

Material:

Plastic polyester

Style Designator:

Nonshrinkable

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A22500
