Overall Length:

0.920 inches

Overall Height:

0.270 inches

Overall Width:

0.880 inches

First Hole Diameter:

0.335 inches

End Application:

Aircraft, hawkeye e-2c; propeller system, ai

First Hole Spacing:

0.460 inches

Second Hole Spacing:

0.440 inches

Product Name:

Lead insulator

Material And Location:

rubber

Style Designator:

Flat, rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A007a0
