Wall Thickness:

0.500 inches

Reliability Indicator:

Established

Inside Diameter:

1.200 inches

Overall Length:

2.400 inches

Design Form:

Full round

Markings:

1 inch std

Special Features:

Good chemical and solvent resistance

Flexibility:

Flexible

Color:

Black

Material:

Plastic polyolefin

Style Designator:

Nonshrinkable

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A22500
