**Overall Length:**

7.400 inches

**Overall Height:**

1.005 inches

**Overall Width:**

7.850 inches

**End Application:**

Nsn 1430-01-448-9834, information and coordination central, guided missile system; w/s: missile, patriot

**Product Name:**

Insulator, plate - eeic module

**Special Features:**

See drawing for other specifications

**Material And Location:**

plastic, polyethylene

**Style Designator:**

Flat, rectangular

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A007a0
