**Reliability Indicator:**

Not established

**Coating Material:**

Fiberglass

**Product Name:**

Insulation sleeving, elec.

**Special Features:**

Inside dia. .438 in. Min. And .462 max.

**Flexibility:**

Flexible

**Color:**

White

**Material:**

Silicone rubber

**Material:**

Rubber silicone class q

**Style Designator:**

Nonshrinkable

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A22500
