Reliability Indicator:

Not established

Coating Material:

Fiberglass

Product Name:

Insulation sleeving, elec.

Special Features:

Inside dia. .438 in. Min. And .462 max.

Flexibility:

Flexible

Color:

White

Material:

Silicone rubber

Material:

Rubber silicone class q

Style Designator:

Nonshrinkable

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A22500
