Environmental Protection:

Heat resistant and mildew resistant

End Application:

Navy code Iij9pu166

Product Name:

Heat-shrinkable cable entry seal

Special Features:

Number of legs at 4 cable openings; matl is flame retardant polyolefin per sae-as81765/1 type 1; temp rating at minus 55 degrees c to plus 90 degrees c; lgt is 4.000 inch

Material And Location:

plastic err-100 err-100

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A007a0
