Reliability Indicator:

Established

Product Name:

Heat shrinkable tubing and caps

Special Features:

Operating temp -55 to +125 degrees c, expanded i.D. Min 48mm, recovered i.D. Maximum 13mm, shrink ratio 4: 1, thin wall style, dule wall type

Flexibility:

Semiflexible

Color:

Black

Material:

Plastic, polyolefin

Material:

Plastic polyolefin

Style Designator:

Shrinkable

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A22500
