Product Name:

Flame-retardant, dual wall polyolefin heat-shrinkable tubing

Special Features:

Operating temp: -40 degrees cel to 110 degrees cel; shrink temp: 80 degrees cel; expansion: .750 in; recovered: .230 in; total recovered wall: .080 in; adhesive: .030 in

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A22500
