End Application:

LAVC-2A-2;2-3550

Features Provided:

Adhesive coating

Product Name:

Thermofit molded, transition, 1 to 4 cables

Special Features:

Transition, 1 to 4 cables; flexible elastomer rt-501; molded; 1st single end as supplied 0.52 inch after recovery 0.27 inch; 4 cables ends on the other side of varying inner diameters

Flexibility:

Flexible

Style Designator:

Shrinkable

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A22500
