Width:

1.875 inches

Thickness:

0.020 inches

Length:

2.500 inches

End Application:

Special aircraft and engine tool and support equip/parts

Adhesive:

Not provided

Product Name:

Insulation sheet

Special Features:

Nha; 1559as483

Material:

Plastic, polyester film

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T388-b
