Overall Length:

1.37 inches

End Application:

Global hawk asip

Product Name:

Standoff, captive, male/female

Special Features:

Description: material: 303/304 stainless steel rod annealed condition iaw sae ams-qq-s-763/764; finsh: passivate per qq-p-35, solution type ii/iv iaw astm a380; .015 x 45 deg, 0.138-32 inc-2a thd

Material And Location:

Shank steel, corrosion resisting, qq-s-763, class 303 and shank steel, corrosion resisting, qq-s-763, class 304

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A007a0
