Overall Height:

6.0 inches

Overall Width:

4.375 inches

Product Name:

15kv standoff insulators

Special Features:

Description: thread size: 3/8" x 16 x 9/16" deep-2" bolt circle; suggested indoor voltage rating: 15, 000; meets requirements specified for 13.2kva-20 indoor insulator per nema sg-6 1995

Material And Location:

fiberglass, polyester

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A007a0
