Electrical Insulation Sleeving - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5970-01-614-0378

Inside	Diameter:
maide	Diameter.

8.0 millimeters

**Overall Length:** 

100.0 millimeters

Coating Material:

Silicone rubber

# End Application:

Electrical cabinet

# **Design Form:**

Full round

# Product Name:

Braided fiberglass sleeve

#### Flexibility:

Flexible

Color:

#### Red

Material:

# Fiberglass

Material:

# Glass fiber

Style Designator:

# Nonshrinkable

Shelf Life:

# N/a

Unit Of Measure:

---

# Demilitarization:

No

#### Fiig:

A22500
