Inside Diameter:

Between 0.25 inches and 1.25 inches

Temperature Rating:

-94.0 degrees fahrenheit and 257.0 degrees fahrenheit

Environmental Protection:

Abrasion resistant

End Application:

0000000000

Design Form:

Full round

Markings:

Black with white tracer

Product Name:

Flexo pet flame retardant sleeving

Flexibility:

Flexible

Color:

Black

Material:

Plastic polyethylene

Style Designator:

Nonshrinkable

Supplementary Features:

Expansion range: 1" to 2 1/2"; bulk spool: 200'; shop spool: 40'

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A22500
