Hazardous Locations/environmental Protection:

Watertight-nema type 4

Overall Height:

3.120 inches

Material Thickness:

0.060 inches

Body Height:

2.840 inches

Opening Inside Diameter:

0.560 inches

Material:

Rubber silicone body

Style Designator:

Thru-hole, expandable

Fsc Application Data:

Antenna, radio, airborne

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A02000
