Material:

Aluminum alloy

Material Specification:

Qq-a-601, alloy 356, temper t6 federal specification single material response

Surface Treatment:

Nickel

Surface Treatment Specification:

Mil-f-14072, -352 military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A061a0

Mil-std (military Standard):

Mil-f-14072 spec.
