Hole Diameter:

0.531 inches

Overall Length:

0.938 inches

Connection Method:

Pressure

Special Features:

Flattened to oval shape 0.625 in. Inside width, 0.438 in. Inside height

Material:

Copper

Material:

Copper

Surface Treatment:

Tin

Style Designator:

Unflanged

Surface Treatment:

Tin plated

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T390-g
