Overall Length:

3.080 inches

Overall Width:

2.270 inches

Conduit Type Accommodated:

Any acceptable third end

End Type:

Straight bore third end

Item Accommodated Trade Size:

1.000 inches third end

Special Features:

Foruse w/convoluted conduit

Material:

Plastic polyamide

Material Specification:

Mil-m-20693, type 1 military specification single material response

Style Designator:

Standard

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A01800

Mil-std (military Standard):

Mil-m-20693 spec.
