**Overall Length:**

3.080 inches

**Overall Width:**

2.270 inches

**Conduit Type Accommodated:**

Any acceptable third end

**End Type:**

Straight bore third end

**Item Accommodated Trade Size:**

1.000 inches third end

**Special Features:**

Foruse w/convoluted conduit

**Material:**

Plastic polyamide

**Material Specification:**

Mil-m-20693, type 1 military specification single material response

**Style Designator:**

Standard

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A01800

**Mil-std (military Standard):**

Mil-m-20693 spec.
