Mounting Hole Diameter:

0.562 inches

Overall Length:

60.000 inches

Overall Width:

1.750 inches

Mounting Hole Quantity:

1

Overall Thickness:

1.750 inches

Coating Material:

Penta treated

Design Type:

Angle and bolt

Special Features:

18.000 in. Drop, surface treatment: galvanized end fittings

Material:

Wood, apitong, with steel end fittings

Material:

Wood

Surface Treatment:

Galvanized end fittings

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T386-a
