Thread Length:

0.344 inches

Hazardous Locations/environmental Protection:

Heat resistant

Overall Height:

0.562 inches

Body Outside Diameter:

1.125 inches

Thread Series:

Npt

Thread Size:

0.810 inches

Base Thread Location:

External

Accommodation Hole Inside Diameter:

0.562 inches

Special Features:

Locknut provided

Material:

Plastic phenolic body

Surface Treatment:

Any acceptable body

Style Designator:

Threaded

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A02000
