Mounting Hole Diameter:

0.562 inches

Overall Length:

45.000 inches

Overall Height:

12.000 inches

Overall Width:

2.000 inches

Center To Center Distance Between Mounting Holes:

24.000 inches

Mounting Hole Quantity:

3

Design Type:

Angle

Special Features:

Galvanized, per astm a-153

Material:

Steel, m-1020

Material:

Steel

Surface Treatment:

Galvanized, per astm a-153

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T386-a
