End Application:

An/arc-164 & an/arc-18 (v) airborne radio sets

Special Features:

Finish .0003 thk tin plate per mil-t-10727, type 1

Functional Description:

Housing, shield

Material:

Steel

Material Specification:

Astm-a-109 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A05500
