Overall Length:

0.656 inches

Overall Height:

0.203 inches

Overall Width:

0.375 inches

End Application:

F-16 aircraft

Mounting Method:

Screw

Color:

Natural

Material:

Plastic nylon

Material Specification:

M-20693 military specification all material responses

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A510s0

Mil-std (military Standard):

spec.
