Mounting Method:

Bushing

Material:

Aluminum alloy

Material Specification:

Qq-a-225 federal specification single material response or qq-a-591 federal specification single material response

Surface Treatment:

Anodize

Surface Treatment Specification:

Mil-a-8625, type 2 military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A049a0

Mil-std (military Standard):

Mil-a-8625 spec.
