Stuffing Tube - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5975-01-092-3050

Mounting Method:
Bushing
Material:
Aluminum alloy
Material Specification:
Qq-a-225 federal specification single material response or qq-a-591 federal specification single material response
Surface Treatment:
Anodize
Surface Treatment Specification:
Mil-a-8625, type 2 military specification single treatment response
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A049a0
Mil-std (military Standard):
Mil-a-8625 spec.
