End Application:

High frequency voice frequency carrier telegraph terminal

Design Feature:

Blank

Style Designator:

Vertical rack mounting

Supplementary Features:

Consists of: bottom guide plate p/n d5362-2, top guide plate p/n d5362-1, rt side panel p/n d5363-1, l side panel p/n d5363-2, rear cover p/n d5365-1, backplane p/n a0848

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A05500
