End Application:

An/alq-128

Material:

Copper

Surface Treatment:

Anodize

Surface Treatment Specification:

Mil-f-14072 military specification single treatment response

Fsc Application Data:

Electronic countermeasures set

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A05500

Mil-std (military Standard):

Mil-f-14072 spec.
