End Application:

F4 fire warning system

Material And Location:

Steel, corrosion resisting

Surface Treatment And Location:

Passivated

Special Features:

Consists of 2 clamps part no. 10-20067 and 1 spring part no. 10-25108, 14.00 porm 0.20 in. Lg

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T386-e
