**End Application:**

6920-01-142-2798

**Special Features:**

Consists of plate mounting assembly 9341192; transformer assembly high power 9353821; gas tube surge arrester 9353905; terminal strip mil-t-55164/1; circuit breaker assembly 9354038; bracket rectifier assembly 9353898; power block 9353917; grounding lug 9353945; bracket suppression board 9353897; post electrical/mech nas1786; holding clamp assembly 9363076; label warning 9354182; cover terminal strip 9354183; power block cover assembly 9363077; plate ident 11829423; capacitor assembly 9387198; switch guard 9387204

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A17600
