Overall Height:

10.500 inches

Overall Width:

10.500 inches

Overall Thickness:

0.125 inches

End Application:

USEO-NG-ENE-RATO

Mounting Configuration:

Sixteen 0.225 in. Dia. Mounting holes

Panel Material:

Aluminum alloy and rubber, synthetic

Special Features:

Designations shall be permanently marked with 0.250 in. High characters, color of letters shall be black

Surface Treatment:

Paint

Surface Treatment:

Painted

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T122-b
