**Mounting Hole Diameter:**

0.190 inches

**Overall Width:**

Between 3.000 inches and 4.030 inches

**Mounting Hole Quantity:**

4

**Design Feature:**

Punched holes

**Special Features:**

Slide, chassis-right

**Material:**

Aluminum alloy

**Material Specification:**

Qq-a-200/11 federal specification single material response

**Surface Treatment:**

Anodize

**Surface Treatment Specification:**

Mil-a-8625a, type 2, dyed black military specification single treatment response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A05500

**Mil-std (military Standard):**

Mil-a-8625a spec.
