**End Application:**

Kc135r acft

**Special Features:**

Length 12.062 in.; width 7.656in.; body thickness 0.281 in.

**Material:**

Aluminum alloy

**Material Specification:**

Ams4027 assn standard single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A05500
