**Cover Attachment Method:**

Screw

**End Application:**

5865-01-042-3265 control-indicator

**Design Feature:**

Punched holes

**Functional Description:**

Prime control indicator

**Reference Data And Literature:**

T.O.12p3-2alr-22 figure 7-2 index 18

**Type/model Designation:**

F-16

**Fsc Application Data:**

Electronic countermeasures equipment

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A05500
