Special Features:

2.625 in. Lg; 0.631 in. Id, 0.691 in. Od, first end; 0.750 in. Od, second end

Material:

Copper alloy and aluminum

Material Specification:

Astm b491 assn standard 1st material response and astmb188 assn standard 2nd material response

Supplementary Features:

End item patriot missile

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A01800
